Mr. [] O/DDA
4E 27 HQ

Deputy Director for
Administration

This is in response to
Review Staff 75-2848/a which
requested "Fitness Reporting in
CIA, 1947-69." In Appendix K
there has been minor sanitizing
to protect those under cover.

In light of the reproduction
problems, we have not furnished
a separate copy for DDA, assuming
that they can share a copy with
[] in this instance.
